

A decorative graphic in the top-left corner consisting of a network of interconnected nodes and lines. The nodes are represented by circles of varying sizes and colors, including light gray, dark gray, and blue. Some nodes are highlighted with a blue outline. The lines connecting the nodes are thin and light gray.

TEXAS TECH UNIVERSITY
TTU K-12™

A decorative network diagram in the top-left corner, consisting of various sized grey circles (nodes) connected by thin grey lines (edges). Some nodes are solid grey, while others are hollow with a grey outline. The connections form a complex, branching structure.

What are some key
takeaways you would
like to share with the
Commission?

A decorative network diagram consisting of interconnected nodes and lines, rendered in a light gray color, is positioned in the top-left and bottom-right corners of the slide. The nodes vary in size and some are highlighted with a darker gray or blue, suggesting a complex digital or social network structure.

What training has been
beneficial in supporting you
to flourish in a virtual
environment?

What recommendations do you have for teacher prep and/or professional development for current teachers to flourish in the virtual environment?
