# McKinney-Vento Student Coding

**Student eligibility for McKinney-Vento services should be assessed annually**

**McKinney-Vento eligible students should be coded at the time of identification**

**Identification and coding is for the current school year**

**McKinney-Vento coding does not carry over from year-to-year**

# TSDS PEIMS Homeless Status Codes

Code Table Id	Name	XML Name	Date Issued	Date Updated

0	Student is <b>not homeless</b> at any time during current school year			
2	Student lives temporarily <b>doubled-up</b> (sharing residence with a family or individual) at any time during current school year: <b>Doubled-Up</b> (e.g., living with another family) is defined as sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason. This classification requires a case-by-case determination.			
3	Student is <b>unsheltered</b> (i.e, lives on the street, lives in cars, parks, campgrounds, temporary trailers [including FEMA trailers], or abandoned buildings) at any time during current school year: <b>Unsheltered</b> is defined as a nighttime residence that is a public or private place not designed for, or ordinarily used as, a regular sleeping accommodation for human beings. It includes such places as cars, parks, campgrounds (if they live there because they lack an alternative accommodation), temporary trailers (if they live there because they lack an alternative accommodation), abandoned buildings, and substandard housing. Substandard housing may be determined by local building codes, community norms, and/or a case-by-case determination as to whether the accommodation is a “fixed, regular, and adequate nighttime residence.”			
4	Student lives in <b>motel or hotel</b> at any time during current school year: Students who stay at a motel or hotel are considered homeless if they reside there because they have lost their housing, lack an alternative accommodation, and do not have a “fixed, regular, and adequate nighttime residence.”			
5	Student lives in a <b>shelter</b> , transitional housing at any time during current school year: <b>Shelters</b> are defined as supervised publicly or privately operated facilities designed to provide temporary living accommodations. The shelters category for homeless students includes emergency shelters, family shelters, domestic violence shelters, youth shelters, and transitional housing programs. The shelters category for homeless students <b>does not</b> include residential treatment facilities, Title I Neglected or Delinquent facilities, or TJJD facilities.

# Notification of McKinney-Vento Student Eligibility

**McKinney-Vento Liaisons should implement processes and procedures to ensure all identified McKinney-Vento students have been coded for all appropriate services in a timely manner by:**

Providing registrars or other designated contacts an email notification with the appropriate “homeless status” and “At-Risk” indicator code in TSDS PEIMS

Informing designated Food Services contacts to code all eligible students for “free meal” status

# Review Accuracy of McKinney-Vento Coding

- Develop, review, and monitor program reports to ensure accurate and timely coding of:
  - Student eligibility criteria
  - Date of qualification
  - At-Risk status
  - Unaccompanied Youth status (if applicable)
- Review McKinney-Vento program reports to monitor student enrollment, coding, and services on a regular basis.
- Develop processes and procedures to address and correct any coding errors throughout the school year.

## Notes for questions 55–57 (page 5)

Answer **“Yes”** if you received a determination at any time on or after July 1, 2021, that you were an unaccompanied youth who was **homeless** or at risk of being homeless.

- **“Homeless”** means lacking fixed, regular and adequate housing. You may be homeless if you are living in shelters, parks, motels, hotels, public spaces, camping grounds, cars, abandoned buildings, or temporarily living with other people because you have nowhere else to go. Also, if you are living in any of these situations and fleeing an abusive parent, you may be considered homeless even if your parent would otherwise provide a place to live.
- **“Unaccompanied”** means you are not living in the physical custody of your parent or guardian.

Answer **“No”** if you are not homeless or at risk of being homeless, or do not have a determination. However, even if you answer **“No”** to each of questions 55, 56, and 57, you should contact the financial aid administrator at the college you plan to attend if you are either (1) homeless and unaccompanied or (2) at risk of being homeless, unaccompanied, and providing for your own living expenses - as your college financial aid office can determine that you are “homeless” and are not required to provide parental information.

The financial aid administrator at your college may require you to provide a copy of the determination if you answered **“Yes”** to any of these questions.

## McKinney-Vento Homeless Education Dispute Resolution Process

The McKinney-Vento Homeless Education Assistance Act (Act) provides important protections and rights for homeless children and unaccompanied homeless youth. Pursuant to the Act, students experiencing homelessness must be immediately enrolled in the school of origin or the school in the attendance zone where the student currently resides. Disagreements over eligibility, school selection, or enrollment may be disputed. If a dispute arises the child or youth must be immediately enrolled in the school of origin or school located in the child's attendance zone, as requested by the parent, guardian, or unaccompanied youth, pending final resolution of the dispute, including all available appeals.

McKinney-Vento (MV) disputes should be resolved locally, whenever possible and must go through the local McKinney-Vento Dispute Resolution process. To learn more about filing a dispute within a district, please consult with the District McKinney-Vento Homeless Liaison. The Homeless Liaison is available to assist homeless students and families with filing an appeal and navigating the dispute resolution process. If a resolution is not reached locally, then MV disputes may be submitted to TEA.

MV disputes should be expedited and resolved promptly to meet federal requirements. Districts have a responsibility to ensure that local timelines in the district's complaint policies are expedited, whenever possible, to meet the U.S. Department of Education and the Texas Education Agency's (TEA) expectation of prompt dispute resolution.

### McKinney-Vento Dispute Resolution Frequently Asked Questions (FAQ)

**What happens after TEA receives a complaint?**

- Once a complaint is received, TEA will notify the district homeless liaison that a complaint was filed and request that all related documentation, including the dispute resolution record and any other information the school board used in its decision-making, is submitted to the TEA within five business days.

**How soon will TEA make a decision?**

- The TEA homeless education coordinator, or designee, along with the appropriate agency director, shall make a final decision within 20 business days upon receipt of the full record from the LEA and any additional records required by TEA to review the dispute.

**How will the parent, guardian, or unaccompanied youth be notified of TEA's decision?**

- TEA's written decision will be sent by letter electronically and in hard copy to the parent, guardian, or unaccompanied youth who filed the complaint; the local school district's homeless liaison; and the local superintendent.

## Exhibit A—Dispute of Eligibility, School Selection, or Enrollment Under the McKinney-Vento Homeless Assistance Act

**Note:** This form is for use to initiate the dispute resolution process required by the McKinney-Vento Homeless Assistance Act when the parent, guardian, or unaccompanied youth disagrees with the [District's](#) eligibility, school selection, or enrollment decision.

District policy requires the parent, guardian, or unaccompanied youth to use the dispute resolution process set out in FNG(LOCAL), beginning at Level Two. [See FDC(EXHIBIT—B) for the Notice of Parent and Student Rights in the McKinney-Vento Enrollment Dispute Resolution Process.] Filling out this form is the first step in that process. Informal resolution is encouraged but does not extend any deadlines in FNG(LOCAL), except by mutual written consent.

To file a formal dispute under the McKinney-Vento Homeless Assistance Act ("Act"), please fill out this form completely and submit it by hand-delivery, email, or U.S. Mail to the principal or the [District's](#) liaison for homeless students. District policy typically requires dispute forms to be filed within 15 District business days of receiving the written explanation of the [District's](#) decision. However, because the Act's dispute process should be expedited whenever possible, TEA recommends that you submit the form as soon as possible, preferably within ten District business days of receiving the written explanation of the [District's](#) decision. If a dispute arises over school selection or enrollment in a school, the child shall be immediately admitted to the school in which enrollment is sought, pending resolution of the dispute. The student will remain attending the school where enrollment is sought during the entire dispute resolution process.

If you need assistance filling out this form or if you have other questions, please contact the liaison for homeless students.

## Exhibit B—Notice of Parent and Student Rights in the McKinney-Vento Enrollment Dispute Resolution Process

This document provides school district personnel with information regarding McKinney-Vento Dispute Resolution procedures, including local and state expectations for processing a dispute. It should be used in conjunction with a district's policies and procedures addressing McKinney-Vento, including the district's local policy on homeless students at FDC(LOCAL), the district's McKinney-Vento Dispute Resolution Form at FDC(EXHIBIT), and the district's local policy on student and parent complaints at FNG(LOCAL). McKinney-Vento disputes should be expedited and resolved promptly to meet federal requirements. Districts have a responsibility to ensure that local timelines in the district's complaint policies are expedited, whenever possible, to meet the Texas Education Agency's (TEA) expectation of prompt dispute resolution. This document is the result of collaboration between TEA and the Texas Association of School Boards.

The McKinney-Vento Homeless Assistance Act ("Act") provides important protections and rights for homeless children and unaccompanied homeless youth. The Act provides direction for districts when disputes occur regarding student eligibility, school selection, or enrollment. This document only addresses disputes regarding eligibility, school selection, or enrollment, since those are the only issues subject to the dispute resolution provisions of the Act. [See FNG(LOCAL) for all other disputes regarding homeless students.]

This document provides information about the dispute resolution process should the parent, guardian, or an unaccompanied youth disagree with a district's determination of eligibility, school selection, or enrollment. Upon dispute of eligibility, school selection, or enrollment, a school district must immediately enroll a homeless child in the school of origin, unless the parent, guardian, or unaccompanied youth selects the school located in the attendance zone where the student temporarily resides. In determining the best interest of the child, the district shall presume that keeping the student in his or her school of origin is in the student's best interest, except when doing so is contrary to the request of the parent, guardian, or unaccompanied youth. The district shall also consider the impact of moving schools on achievement, education, health, and safety. In [addition](#) the district must provide transportation to and from the school of origin. The student shall remain attending the school in which enrollment is sought, pending final resolution of the dispute, including all available appeals.

### Who at the district makes the eligibility, school selection, or enrollment decision?

A district's enrollment staff will gather and analyze information from the parent, guardian, or unaccompanied youth and [make a determination](#) of eligibility.

### What type of notice will the parent, guardian, or an unaccompanied youth receive about a district's enrollment decision if the district determines that the student is not eligible for enrollment?

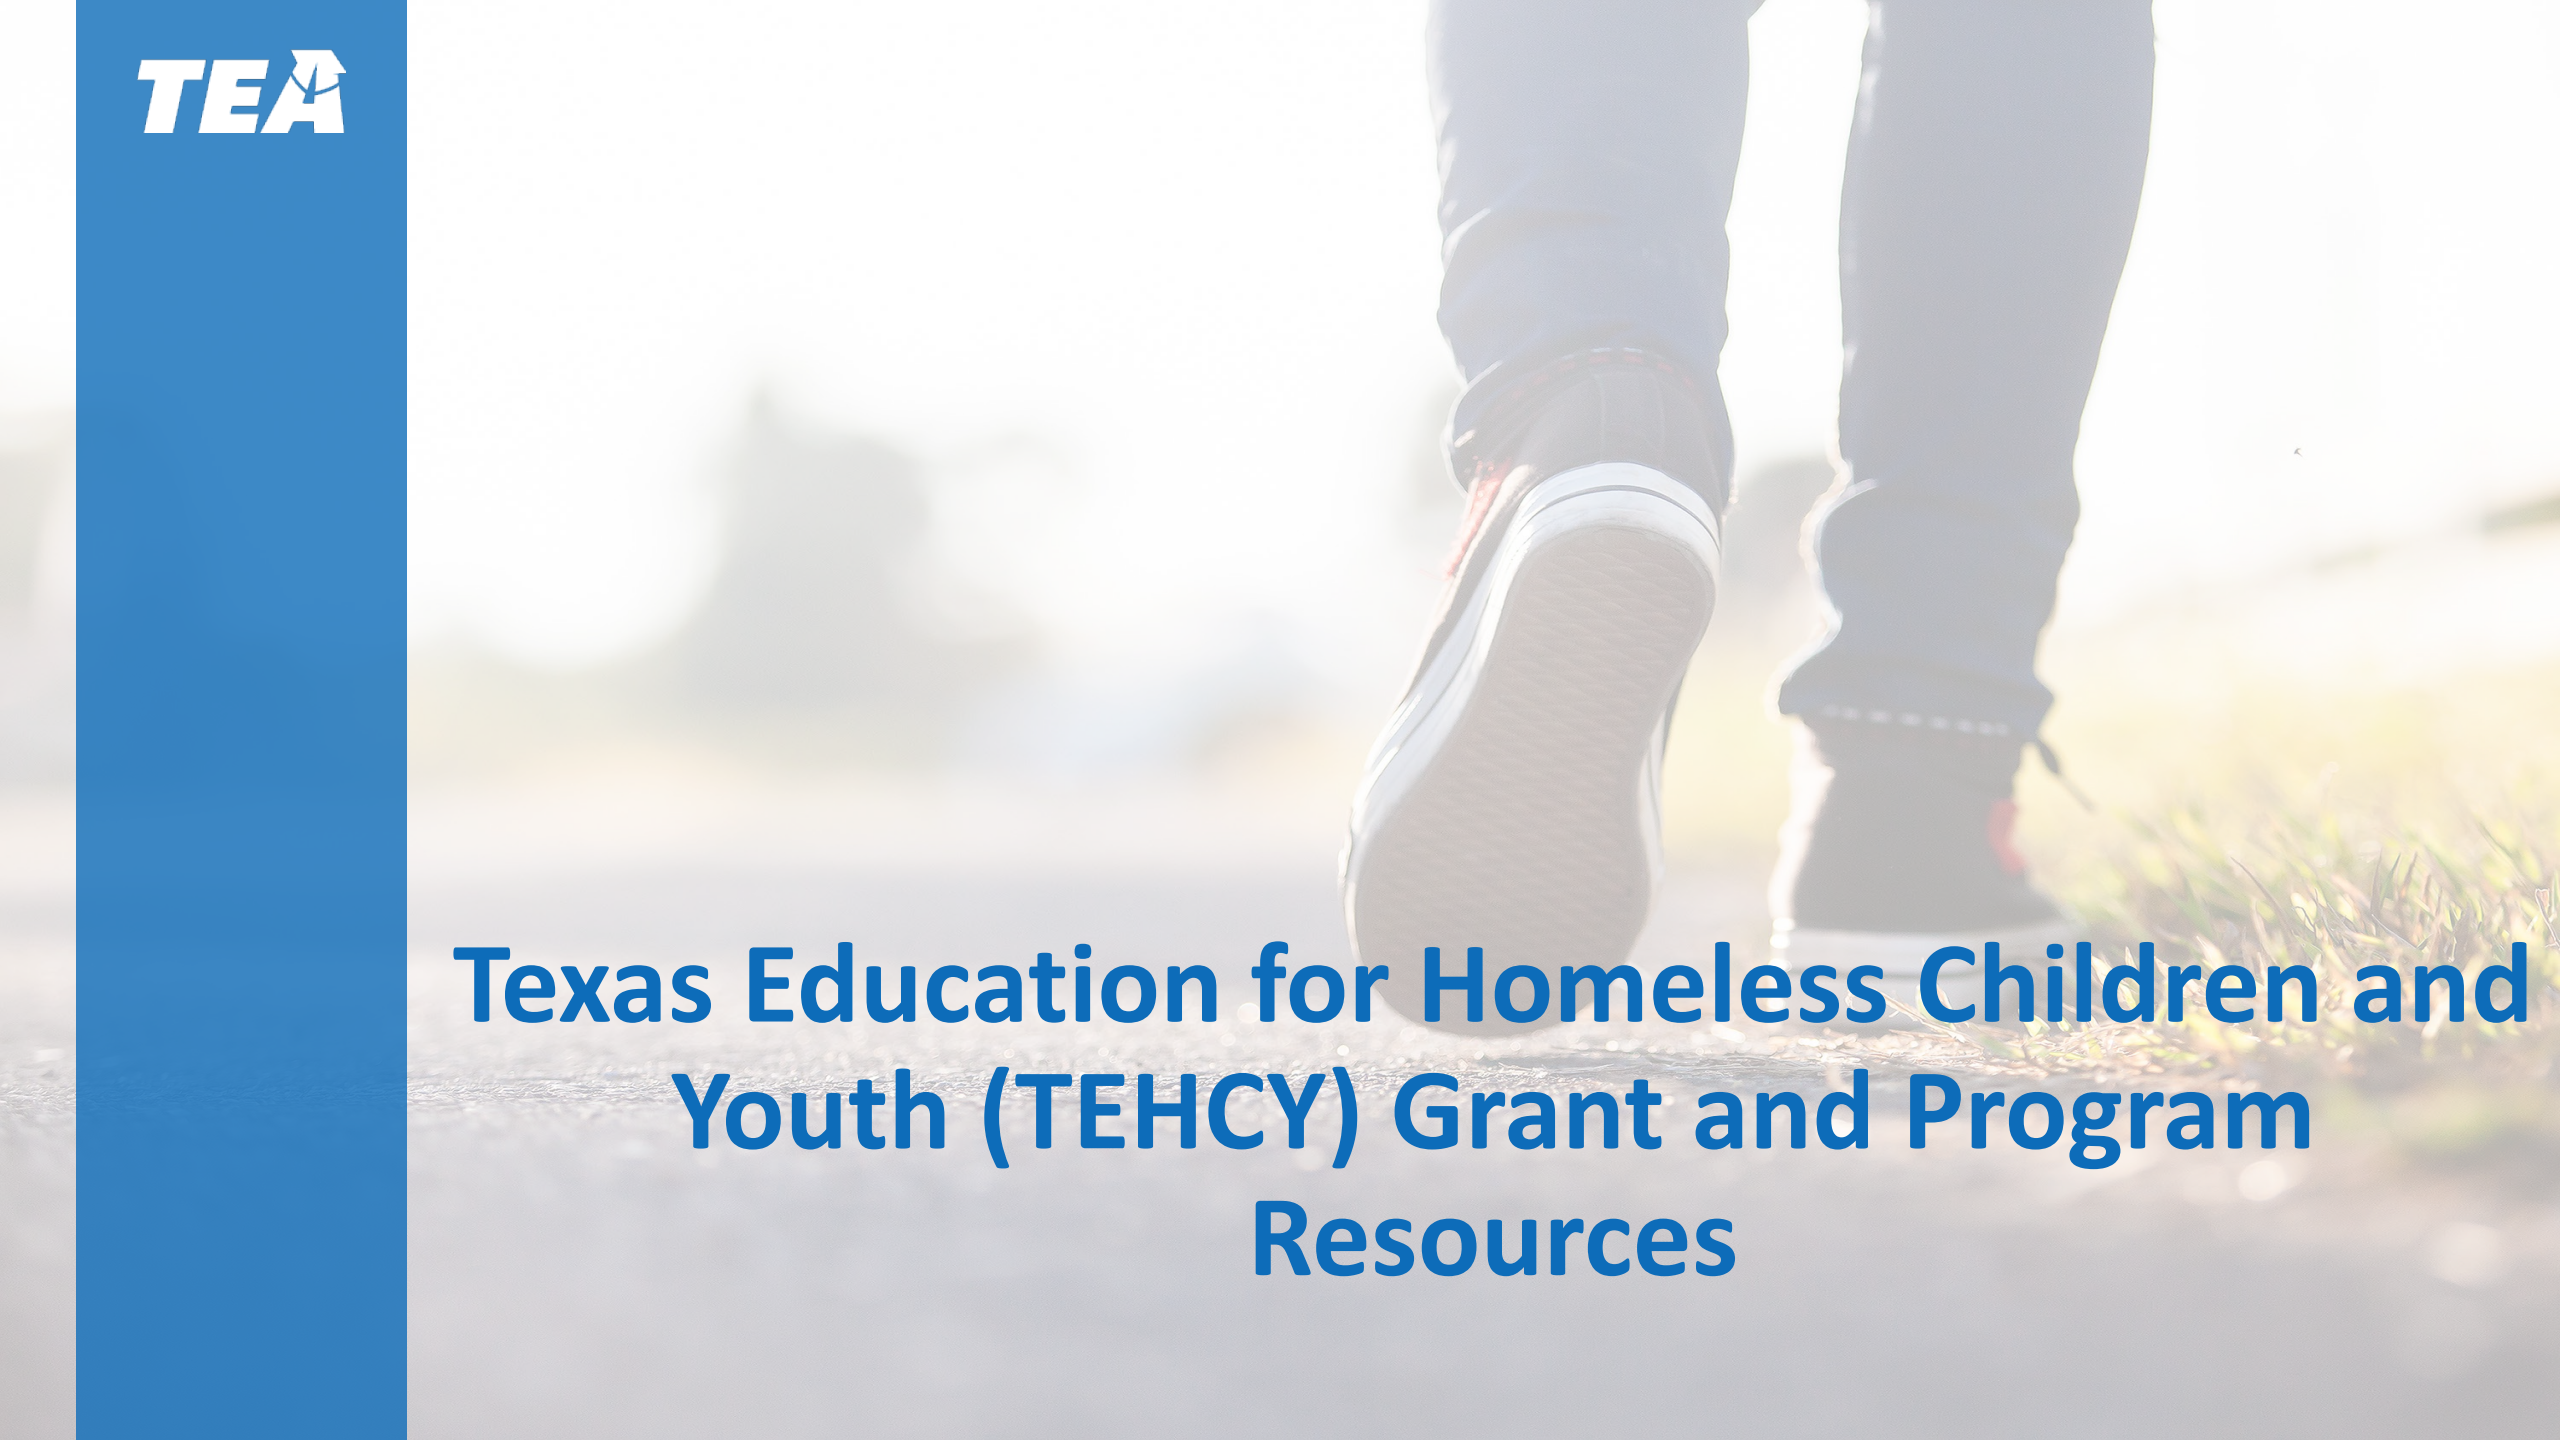

The district must provide the parent, guardian, or unaccompanied youth with a written notice that includes an explanation of the decision regarding eligibility, school selection, or enrollment, and the right of the parent, guardian, or unaccompanied youth to appeal or dispute the decision.

Every LEA must identify students experiencing homelessness within their district. This process must be done regularly and in a way that is auditable. In Texas, most districts choose to use a student residency questionnaire to help determine whether or not students qualify as homeless under the McKinney-Vento Act.
