

## Welcome and Introductions

The Texas Education Agency (T.E.A.) is conducting webinars to share information directly with Local Education Agency (L.E.A.) special education leaders. T.E.A. will use these webinars to review and discuss guidance, Frequently Asked Questions (F.A.Q.s), and other materials that have been pushed into the field or are in development that relate to students with disabilities and special education.

- We welcome questions from participants. In an effort to streamline our process:
  - These webinars will include a Question and Answer (Q&A) feature. Chat will not be enabled for these webinars.
  - While we will not address all questions live, questions may be used to create Frequently asked Questions (FAQs), guidance documents, follow-up webinars, etc.
