Ben Bolt-Palito Blanco ISD (BBPBISD)
172 Badger Lane
Ben Bolt, Texas 78342-0547

To Whom It May Concern:

On behalf of the district, I want to give my full support to Ben Bolt-Palito Blanco ISD as it applies for the 2021-2022 Summer Career and Technical Education Grant. This grant will allow students within our district to gain experience in the Information Technology Pathway. This Summer CTE Bridge Program will be offered to both incoming 9th graders and 12th grade students.

Furthermore, not only is there a need for individuals with this experience in our district (we know because we are one of the biggest employers of them in the city), but there is a need for these individuals at the state level as well.

Therefore, to ensure the best for our students, the district will implement this grant program with high fidelity and will even offer job application priority to the graduating students of the Summer CTE Program.

Because of this, I humbly ask that you please consider giving Ben Bolt-Palito Blanco ISD grant funding.

Should have any questions, please do not hesitate to contact me at (361) 664-9904.

Thank you,
