Summary of Program

1. Describe how the LEA will support campus(es) in carrying out school improvement activities, including how the LEA will help develop a Targeted Improvement Plan for the eligible campus(es) selected for this grant.

North Texas Collegiate Academy's Director of School Improvement will work in partnership with ESC Region 11 and campus leadership teams to create Targeted Improvement Plans using the ESF Diagnostic. NTxCA will use the Cycle Data Reviews to ensure effective implementation of activities to meet the goals of the TIP.

2. Describe how the LEA will monitor schools receiving the ESF-Focused Support Grant, including how the LEA will: (a) Monitor Targeted Improvement Plans upon submission and during implementation, and (b) Implement additional actions as needed to meet barriers and challenges, after the first year of the grant cycle.

The Director of School Improvement (who also serves as the DCSI) will work collaboratively with campus principals, leadership teams and ESC 11 consultants to create Targeted Improvement Plans. We will conduct a reflective needs assessment at the end of Year 1 so that teams can take additional actions to address any barriers or challenges that were identified during initial implementation.

Goals, Objectives, and Strategies, Performance and Evaluation

1. Describe how the LEA will modify, as appropriate, practices and policies to provide operational flexibility to the awarded campus, that enables full and effective implementation of the Effective Schools Framework Essential Actions and aligned Targeted Improvement Plan.

Our Director of School Improvement (who serves as the DCSI) will work in partnership with the ESC to implement the TIPS at each campus. The DCSI has the authority to make additional changes as needed based on data from our Cycle ESF Reviews.
