The purpose of this notice is to inform you that the *2019 Annual Report* of the Texas Education Agency (TEA) is now available on the agency's [website](#).

Background

The annual report is TEA's third and features the success stories of schools that are meeting the needs of their students with highly effective and efficient approaches to education. Additionally, it identifies operational challenges that impact almost every school system while also highlighting the strategic priorities TEA is directly engaged in with school districts across the state to overcome those operational challenges.

The *2019 Annual Report* spotlights areas of achievement based on the agency's strategic priorities:

- Recruit, Support, and Retain Teachers and Principals;
- Build a Foundation of Reading and Math;
- Connect High School to Career and College; and
- Improve Low Performing Schools.

We will provide 2 copies of the Annual Report to each district, distributed via the Education Service Centers.

Please share this information with your board members, staff, community members, and local media as you see fit.
