

TEKS Curriculum Framework for STAAR Alternate 2

Grade 8 Social Studies

The 2019 version of the TEKS Curriculum Framework for Social Studies has been updated to include the streamlined social studies TEKS for middle school and high school, which are to be implemented in classrooms beginning with the 2019-2020 school year.

Next year, the 2020 version of this document will include the streamlined social studies TEKS for kindergarten through grade 5, which are to be implemented in classrooms beginning with the 2020-2021 school year.

The 2019 version of this document is valid only for the 2019-2020 school year.

STAAR Reporting Category 1 – History: The student will demonstrate an understanding of issues and events in U.S. history.	
TEKS Knowledge and Skills Statement/ STAAR-Tested Student Expectations	Essence of TEKS Knowledge and Skills Statement/ STAAR-Tested Student Expectations
<p>(8.1) History. The student understands traditional historical points of reference in U.S. history through 1877. The student is expected to</p> <p>(A) identify the major eras in U.S. history through 1877, including colonization, revolution, creation and ratification of the Constitution, early republic, the Age of Jackson, westward expansion, reform movements, sectionalism, Civil War, and Reconstruction, and describe their causes and effects; Readiness Standard</p> <p>(B) explain the significance of the following dates: 1607, founding of Jamestown; 1620, arrival of the Pilgrims and signing of the Mayflower Compact; 1776, adoption of the Declaration of Independence; 1787, writing of the U.S. Constitution; 1803, Louisiana Purchase; and 1861-1865, Civil War. Supporting Standard</p>	<p>Recognizes important dates and time periods in U.S. history through 1877.</p>

Continued

8.1**Prerequisite Skills/Links to TEKS Vertical Alignment***Historical Significance of Patriotic Celebrations and National Landmarks*

- explain the significance of various community, state, and national celebrations such as Veterans Day, Memorial Day, Independence Day, and Thanksgiving (2)
- describe the origins of customs, holidays, and celebrations of the community, state, and nation such as San Jacinto Day, Independence Day, and Veterans' Day (1)
- explain the reasons for national patriotic holidays such as Presidents' Day, Veterans Day, and Independence Day (K)

Concepts of Time and Chronology

- apply the terms year, decade, and century to describe historical times (3)
- create and interpret timelines (3)
- use vocabulary related to chronology, including past, present, and future times (3)
- describe various evidence of the same time period using primary sources such as photographs, journals, and interviews (2)
- identify several sources of information about a given period or event such as reference materials, biographies, newspapers, and electronic sources (2)
- create and interpret timelines for events in the past and present (2)
- apply vocabulary related to chronology, including past, present, and future (2)
- describe the order of events by using designations of time periods such as historical and present times (2)
- create a calendar and simple timeline (1)
- describe and measure calendar time by days, weeks, months, and years (1)
- distinguish among past, present, and future (1)
- use vocabulary related to time and chronology, including before, after, next, first, last, yesterday, today, and tomorrow (K)
- place events in chronological order (K)

Historical Points of Reference

- explain the significance of the following dates: 1519, mapping of the Texas coast and first mainland Spanish settlement; 1718, founding of San Antonio; 1821, independence from Spain; 1836, Texas independence; 1845, annexation; 1861, Civil War begins; 1876, adoption of current state constitution; and 1901, discovery of oil at Spindletop (7)
- identify the major eras in Texas history, describe their defining characteristics, and explain the purpose of dividing the past into eras, including Natural Texas and its People; Age of Contact; Spanish Colonial; Mexican National; Revolution and Republic; Early Statehood; Texas in the Civil War and Reconstruction; Cotton, Cattle, and Railroads; Age of Oil; Texas in the Great Depression and World War II; Civil Rights; and Contemporary Texas (7)

STAAR Reporting Category 1 – History: The student will demonstrate an understanding of issues and events in U.S. history.

TEKS Knowledge and Skills Statement/ STAAR-Tested Student Expectations	Essence of TEKS Knowledge and Skills Statement/ STAAR-Tested Student Expectations
<p>(8.2) History. The student understands the causes of exploration and colonization eras. The student is expected to</p> <p>(A) identify reasons for English, Spanish, and French exploration and colonization of North America; Readiness Standard</p> <p>(B) compare political, economic, religious, and social reasons for the establishment of the 13 English colonies. Supporting Standard</p>	<p>Recognizes reasons for exploration and colonization.</p>

8.2 Prerequisite Skills/Links to TEKS Vertical Alignment

<p><i>Individuals and Groups Shaping History</i></p> <ul style="list-style-type: none"> • contrast Spanish, Mexican, and Anglo purposes for and methods of settlement in Texas (7) • identify important individuals, events, and issues related to European exploration of Texas such as Alonso Álvarez de Pineda, Álvar Núñez Cabeza de Vaca, the search for gold, and the conflicting territorial claims between France and Spain (7) • describe the social, political, economic, and cultural contributions of individuals and groups from various societies, past and present (6) • describe how individuals, events, and ideas have changed communities, past and present (3) • explain how people and events have influenced local community history (2) • identify contributions of historical figures, including Stephen F. Austin, George Washington, Christopher Columbus, and Jose Antonio Navarro, who helped to shape the state and nation (K) <p><i>Issues and Events Shaping History</i></p> <ul style="list-style-type: none"> • identify important individuals, events, and issues related to European colonization of Texas, including the establishment of Catholic missions, towns, and ranches, and the contributions of individuals such as Fray Damián Massanet, Antonio Margil de Jesús, and Francisco Hidalgo (7) <p><i>Concepts of Time and Chronology</i></p> <ul style="list-style-type: none"> • apply the terms year, decade, and century to describe historical times (3) • create and interpret timelines (3) • use vocabulary related to chronology, including past, present, and future times (3) • describe various evidence of the same time period using primary sources such as photographs, journals, and interviews (2) • identify several sources of information about a given period or event such as reference materials, biographies, newspapers, and electronic sources (2)

8.10**Prerequisite Skills/Links to TEKS Vertical Alignment***Relationship between People and Physical Environment*

- explain ways in which geographic factors such as the Galveston Hurricane of 1900, the Dust Bowl, limited water resources, and alternative energy sources have affected the political, economic, and social development of Texas (7)
- identify ways in which Texans have adapted to and modified the environment and explain the positive and negative consequences of the modifications (7)
- identify and analyze ways people have adapted to the physical environment in various places and regions (6)
- describe ways people have been impacted by physical processes such as earthquakes and climate (6)
- describe how and why people have adapted to and modified their environment in the United States, past and present, such as the use of human resources to meet basic needs (5)
- identify reasons why people have adapted to and modified their environment in Texas, past and present, such as the use of natural resources to meet basic needs, facilitate transportation, and enhance recreational activities (4)
- describe ways people have adapted to and modified their environment in Texas, past and present, such as timber clearing, agricultural production, wetlands drainage, energy production, and construction of dams (4)
- identify and compare the human characteristics of various regions (3)
- identify and compare how people in different communities adapt to or modify the physical environment in which they live such as deserts, mountains, wetlands, and plains (3)
- describe the effects of physical processes such as volcanoes, hurricanes, and earthquakes in shaping the landscape (3)

Geographic Influence on History

- identify geographic factors such as location, physical features, transportation corridors and barriers, and distribution of natural resources that influence a society's political relationships (6)
- explain the geographic factors responsible for the location of economic activities in places and regions (6)

Population and Settlement Patterns

- analyze the reasons for the location of cities in the United States, including capital cities, and explain their distribution, past and present (5)
- explain the geographic factors that influence patterns of settlement and the distribution of population in the United States, past and present (5)
- explain the geographic factors such as landforms and climate that influence patterns of settlement and the distribution of population in Texas, past and present (4)
- identify the characteristics of different communities, including urban, suburban, and rural, and how they affect activities and settlement patterns (2)
- explain how people depend on the physical environment and natural resources to meet basic needs (2)
- describe how natural resources and natural hazards affect activities and settlement patterns (2)

Continued

8.10**Prerequisite Skills/Links to TEKS Vertical Alignment**

- describe how weather patterns and seasonal patterns affect activities and settlement patterns (2)

Characteristics of Places and Regions

- analyze the effects of physical and human factors such as climate, weather, landforms, irrigation, transportation, and communication on major events in Texas (7)
- locate and compare places of importance in Texas in terms of physical and human characteristics such as major cities, waterways, natural and historic landmarks, political and cultural regions, and local points of interest (7)
- locate and compare the Mountains and Basins, Great Plains, North Central Plains, and Coastal Plains regions (7)
- locate on a map important physical features such as the Rocky Mountains, Mississippi River, and Great Plains (5)
- locate on a map important political features such as the ten largest urban areas in the United States, the 50 states and their capitals, and regions such as the Northeast, the Midwest, and the Southwest (5)
- describe a variety of regions in the United States such as landform, climate, and vegetation regions that result from physical characteristics such as the Great Plains, Rocky Mountains, and Coastal Plains (5)
- describe a variety of regions in the United States such as political, population, and economic regions that result from patterns of human activity (5)
- compare the geographic regions of Texas (Mountains and Basins, Great Plains, North Central Plains, Coastal Plains) with regions of the United States and other parts of the world (4)
- identify, locate, and compare the geographic regions of Texas (Mountains and Basins, Great Plains, North Central Plains, Coastal Plains), including their landforms, climate, and vegetation (4)
- describe a variety of regions in Texas and the United States such as political, population, and economic regions that result from patterns of human activity (4)
- examine information from various sources about places and regions (2)
- locate places of significance, including the local community, Texas, the state capital, the U.S. capital, major cities in Texas, the coast of Texas, Canada, Mexico, and the United States on maps and globes (2)
- identify major landforms and bodies of water, including each of the continents and each of the oceans, on maps and globes (2)
- identify and describe how the human characteristics of place such as shelter, clothing, food, and activities are based upon geographic location (1)
- identify examples of and uses for natural resources in the community, state, and nation (1)
- identify and describe the physical characteristics of place such as landforms, bodies of water, natural resources, and weather (1)
- identify how the human characteristics of place such as ways of earning a living, shelter, clothing, food, and activities are based upon geographic location (K)
- identify the physical characteristics of place such as landforms, bodies of water, natural resources, and weather (K)

	Geography skills <ul style="list-style-type: none"><li data-bbox="289 261 1234 293">• identify and create common features in the natural environment (Pre-K)

STAAR Reporting Category 2 – Geography and Culture: The student will demonstrate an understanding of geographic and cultural influences on historical issues and events.	
TEKS Knowledge and Skills Statement/ STAAR-Tested Student Expectations	Essence of TEKS Knowledge and Skills Statement/ STAAR-Tested Student Expectations
<p>(8.11) Geography. The student understands the physical characteristics of North America and how humans adapted to and modified the environment through the mid-19th century. The student is expected to</p> <p>(A) analyze how physical characteristics of the environment influenced population distribution, settlement patterns, and economic activities in the United States; Readiness Standard</p> <p>(B) describe the positive and negative consequences of human modification of the physical environment of the United States.</p> <p>Supporting Standard</p>	<p>Recognizes the physical characteristics of North America and how humans adapted to and modified the environment.</p>
8.11 Prerequisite Skills/Links to TEKS Vertical Alignment	
8.11	<p><i>Relationship between People and Physical Environment</i></p> <ul style="list-style-type: none"> • identify ways in which Texans have adapted to and modified the environment and explain the positive and negative consequences of the modifications (7) • identify and analyze ways people have modified the physical environment such as mining, irrigation, and transportation infrastructure (6) • identify and analyze ways people have adapted to the physical environment in various places and regions (6) • describe ways people have been impacted by physical processes such as earthquakes and climate (6) • analyze the positive and negative consequences of human modification of the environment in the United States, past and present (5) • describe how and why people have adapted to and modified their environment in the United States, past and present, such as the use of human resources to meet basic needs (5) • compare the positive and negative consequences of human modification of the environment in Texas, past and present, both governmental and private, such as economic development and the impact on habitats and wildlife as well as air and water quality (4) • identify reasons why people have adapted to and modified their environment in Texas, past and present, such as the use of natural resources to meet basic needs, facilitate transportation, and enhance recreational activities (4) • describe ways people have adapted to and modified their environment in Texas, past and present, such as timber clearing, agricultural production, wetlands drainage, energy production, and construction of dams (4)

Continued

8.11**Prerequisite Skills/Links to TEKS Vertical Alignment**

- identify and compare the human characteristics of various regions (3)
- describe the effects of human processes such as building new homes, conservation, and pollution in shaping the landscape (3)
- describe the effects of physical processes such as volcanoes, hurricanes, and earthquakes in shaping the landscape (3)
- identify and compare how people in different communities adapt to or modify the physical environment in which they live such as deserts, mountains, wetlands, and plains (3)
- identify ways people can conserve and replenish natural resources (2)
- identify positive and negative consequences of human modification of the physical environment such as the use of irrigation in improve crop yields (2)
- identify ways in which people have modified the physical environment such as building roads, clearing land for urban development and agricultural use, and drilling for oil (2)

Population and Settlement Patterns

- analyze the reasons for the location of cities in the United States, including capital cities, and explain their distribution, past and present (5)
- explain the geographic factors that influence patterns of settlement and the distribution of population in the United States, past and present (5)
- identify and describe the types of settlement and patterns of land use in the United States (5)
- explain the geographic factors such as landforms and climate that influence patterns of settlement and the distribution of population in Texas, past and present (4)
- describe and explain the location and distribution of various towns and cities in Texas, past and present (4)
- identify and explain clusters and patterns of settlement in Texas at different time periods such as prior to the Texas Revolution, after the building of the railroads, and following World War II (4)
- identify the characteristics of different communities, including urban, suburban, and rural, and how they affect activities and settlement patterns (2)
- explain how people depend on the physical environment and natural resources to meet basic needs (2)
- describe how natural resources and natural hazards affect activities and settlement patterns (2)
- describe how weather patterns and seasonal patterns affect activities and settlement patterns (2)

Characteristics of Places and Regions

- analyze the effects of physical and human factors such as climate, weather, landforms, irrigation, transportation, and communication on major events in Texas (7)
- describe a variety of regions in the United States such as political, population, and economic regions that result from patterns of human activity (5)

Madison</i>, <i>McCulloch v. Maryland</i>, and <i>Gibbons v. Ogden</i>; Supporting Standard</p> <p>(C) evaluate the impact of the landmark Supreme Court decision <i>Dred Scott v. Sandford</i> on life in the United States. Supporting Standard</p>	<p>Recognizes the origin of judicial review and the impact of important U.S. Supreme Court decisions.</p>
8.18 Prerequisite Skills/Links to TEKS Vertical Alignment	
<p><i>Structure and Functions of Government</i></p> <ul style="list-style-type: none"> • describe the structure and functions of government at municipal, county, and state levels (7) • compare the roles of public officials, including mayor, governor, and president (2) • identify and describe the roles of public officials in the community, state, and nation (1) <p><i>Political and Legal Systems</i></p> <ul style="list-style-type: none"> • identify the reasons for and describe the system of checks and balances outlined in the U.S. Constitution (5) • identify and explain the basic functions of the three branches of government (5) <p><i>Historical Documents</i></p> <ul style="list-style-type: none"> • compare the principles and concepts of the Texas Constitution to the U.S. Constitution, including the Texas and U.S. Bill of Rights (7) • identify how the Texas Constitution reflects the principles of limited government, republicanism, checks and balances, federalism, separation of powers, popular sovereignty, and individual rights (7) • identify and explain the basic functions of the three branches of government according to the Texas Constitution (4) 	

STAAR Reporting Category 3 – Government and Citizenship: The student will demonstrate an understanding of the role of government and the civic process on historical issues and events.

TEKS Knowledge and Skills Statement/ STAAR-Tested Student Expectations	Essence of TEKS Knowledge and Skills Statement/ STAAR-Tested Student Expectations
<p>(8.19) Citizenship. The student understands the rights and responsibilities of citizens of the United States. The student is expected to</p> <ul style="list-style-type: none"> (A) define and give examples of unalienable rights; Readiness Standard (B) summarize rights guaranteed in the Bill of Rights; Readiness Standard (C) identify examples of responsible citizenship, including obeying rules and laws, staying informed on public issues, voting, and serving on juries. Supporting Standard 	<p>Recognizes the rights and responsibilities of U.S. citizens.</p>

8.19 Prerequisite Skills/Links to TEKS Vertical Alignment

Roles, Responsibilities and Rights of Citizens

- explain civic responsibilities of Texas citizens and the importance of civic participation (7)
- explain rights of Texas citizens (7)
- explain relationships among rights, responsibilities, and duties in societies with representative governments (6)
- identify and explain the duty of civic participation in societies with representative governments (6)
- describe various amendments to the U.S. Constitution such as those that extended voting rights of U.S. citizens (5)
- describe the fundamental rights guaranteed by each amendment in the Bill of Rights, including freedom of religion, speech, and press; the right to assemble and petition the government; the right to keep and bear arms; the right to trial by jury; and the right to an attorney (5)
- identify the importance of historical figures and important individuals who modeled active participation in the democratic process such as Sam Houston, Barbara Jordan, Lorenzo de Zavala, Ann Richards, Sam Rayburn, Henry B. González, James A. Baker III, Wallace Jefferson, and other local individuals (4)
- explain the duty of the individual in state and local elections such as being informed and voting (4)
- explain how individuals can participate voluntarily in civic affairs at state and local levels through activities such as holding public officials to their word, writing letters, and participating in historic preservation and service projects (4)
- identify important individuals who have participated voluntarily in civic affairs at state and local levels such as Adina de Zavala and Clara Driscoll (4)

Continued

8.19**Prerequisite Skills/Links to TEKS Vertical Alignment**

- identify and explain the importance of individual acts of civic responsibility, including obeying laws, serving the community, serving on a jury, and voting (3)
- identify historical figures such as Helen Keller and Clara Barton and contemporary figures such as Ruby Bridges and military and first responders who exemplify good citizenship (3)
- identify ways to actively practice good citizenship, including involvement in community service (2)
- identify historical figures such as Paul Revere, Abigail Adams, World War II Women Airforce Service Pilots (WASPs) and Navajo Code Talkers, and Sojourner Truth who have exemplified good citizenship (2)
- identify characteristics of good citizenship, including truthfulness, justice, equality, respect for oneself and others, responsibility in daily life, and participation in government by educating oneself about the issues, respectfully holding public officials to their word, and voting (1-3)
- identify other individuals who exemplify good citizenship (1–2)
- identify historical figures such as Benjamin Franklin, Francis Scott Key, and Eleanor Roosevelt who have exemplified good citizenship (1)

STAAR Reporting Category 3 – Government and Citizenship: The student will demonstrate an understanding of the role of government and the civic process on historical issues and events.

TEKS Knowledge and Skills Statement/STAAR-Tested Student Expectations

(8.30) Social studies skills. The student communicates in written, oral, and visual forms. The student is expected to
(A) use social studies terminology correctly.

8.30

Prerequisite Skills/Links to TEKS Vertical Alignment

Communication in a Variety of Forms

- create written, oral, and visual presentations of social studies information (7)
- use effective written communication skills, including proper citations and avoiding plagiarism (7)
- analyze and interpret geographic distributions and patterns in Texas during the 19th, 20th, and 21st centuries (7)
- create and interpret thematic maps, graphs, and charts representing various aspects of Texas during the 19th, 20th, and 21st centuries (7)
- use effective written communication skills, including proper citations to avoid plagiarism (6)
- create written and visual material such as journal entries, reports, graphic organizers, outlines, and bibliographies based on research (6)
- incorporate main and supporting ideas in verbal and written communication based on research (6)
- create and interpret regional sketch maps, thematic maps, graphs, and charts depicting aspects such as population, disease, and economic activities of various world regions and countries (6)
- compare various world regions and countries using data from maps, graphs, and charts (6)
- pose and answer questions about geographic distributions and patterns for various world regions and countries shown on maps, graphs, and charts (6)
- answer geographic questions, including: Where is it located? Why is it there? What is significant about its location? How is its location related to the location of other people, places, and environments? Using latitude and longitude, where is it located? (6)
- express ideas orally based on research and experiences (4–5)
- use social studies terminology correctly (4–7)
- create written and visual material such as journal entries, reports, graphic organizers, outlines, and bibliographies (4–5)
- incorporate main and supporting ideas in verbal and written communication (4–5)
- use standard grammar, spelling, sentence structure, and punctuation (3–6)
- use technology to create written and visual material such as stories, poems, pictures, maps, and graphic organizers to express ideas (3)
- create written and visual material such as stories, poems, maps, and graphic organizers to express ideas (2)
