

Item 7:**Consider and Take Appropriate Action on Adoption of Review of 19 TAC Chapter 233, Categories of Classroom Teaching Certificates****DISCUSSION AND ACTION**

SUMMARY: Texas Government Code, §2001.039, establishes a four-year rule review cycle for all state agency rules, including State Board for Educator Certification (SBEC) rules. This item presents for SBEC approval the adoption of the review of 19 Texas Administrative Code (TAC) Chapter 233, Categories of Classroom Teaching Certificates. The rules under review establish separate certificate categories within the certificate class for the classroom teacher. These categories identify the content area or special population the holder may teach, the grade levels the holder may teach, and the earliest date the certificate may be issued.

STATUTORY AUTHORITY: Statutory authority for the rule review is Texas Government Code, §2001.039. The statutory authority for 19 TAC Chapter 233 is the Texas Education Code, §§21.003(a), 21.031, 21.041(b)(1)-(4) and (6), 21.044(e) and (f), 21.0442, 21.048(a), 21.0487, 21.0489, 21.0491, 21.050, 22.0831(f), and 29.061(b-1) and (b-2).

PREVIOUS BOARD ACTION: The SBEC last adopted the review of 19 TAC Chapter 233 in August 2015, finding that the reasons for initially adopting the rules continue to exist.

At the April 26, 2019 meeting, the SBEC voted to publish the proposed rule review of 19 TAC Chapter 233, Categories of Classroom Teaching Certificates, in the *Texas Register*.

BACKGROUND INFORMATION AND JUSTIFICATION: The SBEC rules in 19 TAC Chapter 233 establish the general categories of classroom teaching certificates, specific grade levels and subject areas of classroom certificates, and assignments that may be taught by the holder of each certificate. The rules currently in effect in 19 TAC Chapter 233 are shown in Attachment II.

If authorized by the SBEC, the notice of adopted review stating that the reasons for adoption continue to exist will be filed with the *Texas Register* following the July 2019 SBEC meeting.

ANTICIPATED REVISIONS TO RULES: No changes to rules in 19 TAC Chapter 233 are anticipated at this time, not precluding any amendments that may be proposed at the same time or at different times through a separate rulemaking process.

PUBLIC COMMENTS: The Texas Education Agency filed the notice of proposed review of 19 TAC Chapter 233, Categories of Classroom Teaching Certificates, with the *Texas Register* following the April 2019 SBEC meeting. The public comment period on the proposed review began May 31, 2019 and ended July 1, 2019. Any public comments received will be provided to the SBEC under separate cover prior to the July 26, 2019 meeting. The SBEC will take registered oral and written comments on this item at the July 26, 2019 meeting in accordance with the SBEC board operating policies and procedures.

ASSOCIATE COMMISSIONER'S RECOMMENDATION:

Adopt the review of 19 TAC Chapter 233, Categories of Classroom Teaching Certificates.

Staff Member Responsible:

Marilyn Cook, Director, Educator Certification

Statutory Citations Relating to Review of 19 TAC Chapter 233, Categories of Classroom Teaching Certificates**Rule Review****Texas Government Code, §2001.039, Agency Review of Existing Rules:**

- (a) A state agency shall review and consider for readoption each of its rules in accordance with this section.
- (b) A state agency shall review a rule not later than the fourth anniversary of the date on which the rule takes effect and every four years after that date. The adoption of an amendment to an existing rule does not affect the dates on which the rule must be reviewed except that the effective date of an amendment is considered to be the effective date of the rule if the agency formally conducts a review of the rule in accordance with this section as part of the process of adopting the amendment.
- (c) The state agency shall readopt, readopt with amendments, or repeal a rule as the result of reviewing the rule under this section.
- (d) The procedures of this subchapter relating to the original adoption of a rule apply to the review of a rule and to the resulting repeal, readoption, or readoption with amendments of the rule, except as provided by this subsection. Publishing the Texas Administrative Code citation to a rule under review satisfies the requirements of this subchapter relating to publishing the text of the rule unless the agency readopts the rule with amendments as a result of the review.
- (e) A state agency's review of a rule must include an assessment of whether the reasons for initially adopting the rule continue to exist.

Texas Education Code, §21.0491, Probationary and Standard Trade and Industrial Workforce Training Certificates [contingently added]:

- (a) To provide a continuing additional source of teachers to provide workforce training, the board shall establish a probationary trade and industrial workforce training certificate and a standard trade and industrial workforce training certificate that may be obtained through an abbreviated educator preparation program under Section 21.0442.
- (b) To be eligible for a probationary certificate under this section, a person must:
 - (1) satisfactorily complete the course work for that certificate in an educator preparation program under Section 21.0442; and
 - (2) satisfy any other requirements prescribed by the board.
- (c) To be eligible for a standard certificate under this section, a person must:

- (1) hold a probationary certificate issued under this section;
 - (2) be employed by:
 - (A) a public or private primary or secondary school; or
 - (B) an institution of higher education or an independent or private institution of higher education as those terms are defined by Section 61.003; and
 - (3) perform satisfactorily on a standard trade and industrial workforce training certificate examination prescribed by the board.
- (d) The limitation imposed by Section 21.048(a-1) on the number of administrations of an examination does not apply to the administration of the standard trade and industrial workforce training certificate examination prescribed by the board.
 - (e) Notwithstanding any other law, the board may administer the standard trade and industrial workforce training certificate examination to a person who satisfies the requirements of Subsections (c)(1) and (2).
 - (f) The board shall propose rules to:
 - (1) specify the term of a probationary certificate and a standard certificate issued under this section; and
 - (2) establish the requirements for renewal of a standard certificate.

Texas Education Code, §21.050, Academic Degree Required for Teaching Certificate; Internship:

- (a) A person who applies for a teaching certificate for which board rules require a bachelor's degree must possess a bachelor's degree received with an academic major or interdisciplinary academic major, including reading, other than education, that is related to the curriculum as prescribed under Subchapter A, Chapter 28.
- (b) The board may not require more than 18 semester credit hours of education courses at the baccalaureate level for the granting of a teaching certificate. The board shall provide for a minimum number of semester credit hours of internship to be included in the hours needed for certification. The board may propose rules requiring additional credit hours for certification in bilingual education, English as a second language, early childhood education, or special education.
- (c) A person who receives a bachelor's degree required for a teaching certificate on the basis of higher education coursework completed while receiving an exemption from tuition and fees under Section 54.363 may not be required to participate in any field experience or internship consisting of student teaching to receive a teaching certificate.

Texas Education Code, §22.0831, National Criminal History Record Information Review of Certified Educators (excerpt):

- (f) The board may propose rules to implement this section, including rules establishing:
 - (1) deadlines for a person to submit fingerprints and photographs in compliance with this section; and
 - (2) sanctions for a person's failure to comply with the requirements of this section, including suspension or revocation of a certificate or refusal to issue a certificate.

Chapter 233. Categories of Classroom Teaching Certificates

§233.1. General Authority.

- (a) In this chapter, the State Board for Educator Certification (SBEC) establishes separate certificate categories within the certificate class for the classroom teacher established under §230.33 of this title (relating to Classes of Certificates).
- (b) For purposes of authorizing a person to be employed by a school district under the Texas Education Code, §21.003(a), a certificate category identifies:
 - (1) the content area or the special student population the holder may teach;
 - (2) the grade levels the holder may teach; and
 - (3) the earliest date the certificate may be issued.
- (c) Unless provided otherwise in this title, the content area and grade level of a certificate category as well as the standards underlying the certification examination for each category are aligned with the Texas Essential Knowledge and Skills curriculum adopted by the State Board of Education.
- (d) A category includes both a standard certificate and the related emergency or temporary credential. A category may comprise a standard base certificate or a supplemental certificate. A supplemental certificate may be issued only to a person who already holds the appropriate standard base certificate.
- (e) A person must satisfy all applicable requirements and conditions under this title and other law to be issued a certificate in a category. A person seeking an initial standard certification must pass the appropriate examination(s) as prescribed in §230.21 of this title (relating to Educator Assessment). A person completing requirements for a standard certificate using a score on an examination that has been eliminated must apply and pay for the certification not later than one year from the last test administration of the deleted examination. Exceptions may be granted for a period of two years after the elimination of the examination for catastrophic illness of the educator or an immediate family member or military service of the applicant.
- (f) If the governor declares a state of disaster consistent with the Texas Government Code, §418.014, Texas Education Agency staff may extend deadlines in this chapter for up to 90 days as necessary to accommodate persons in the affected disaster areas.
- (g) A holder of a certificate valid for Grades 4-8 may teach technology applications in Grades 4-8 if integrated within an academic course or through interdisciplinary methodology in those subjects that the individual is certified to teach. The school district is responsible for ensuring that the educator has the appropriate technology applications knowledge and skills to teach the course(s) to which he or she is assigned. If Technology Applications is taught as a separate course, the educator shall be required to hold an appropriate technology applications certificate as specified in §233.5 of this title (relating to Technology Applications and Computer Science).
- (h) The general assignment descriptions in this chapter, where applicable, are subject to the specific provisions for the assignment of a holder of a certificate in Chapter 231 of this title (relating to Requirements for Public School Personnel Assignments), and in the event of any conflict with this chapter, Chapter 231 of this title shall prevail.

§233.14. Career and Technical Education (Certificates requiring experience and preparation in a skill area).

- (a) All individuals seeking a career and technical education certificate specified in this section must have the required number of years of qualified work experience and preparation in a skill area approved in accordance with the provisions of subsection (f) of this section prior to issuance of the certificate and assignment in a Texas school.
- (b) Marketing: Grades 6-12. The Marketing: Grades 6-12 certificate may be issued no earlier than September 1, 2014. A candidate for the Marketing: Grades 6-12 certificate must:
 - (1) hold a bachelor's degree from an accredited institution of higher education that at the time was accredited or otherwise approved by an accrediting organization recognized by the THECB; and
 - (2) have two years of full-time wage-earning experience in a marketing occupation as specified in subsection (f) of this section.
- (c) Health Science: Grades 6-12 certificate. The standard Health Science: Grades 6-12 certificate may be issued no earlier than September 1, 2014. A standard Health Science: Grades 6-12 certificate shall be based on experience and academic preparation in the skill area and require the following:
 - (1) an associate or more advanced degree from an accredited institution of higher education that at the time was accredited or otherwise approved by an accrediting organization recognized by the THECB;
 - (2) current licensure, certification, or registration by a nationally recognized accrediting agency as a health professions practitioner; and
 - (3) approval, by the certification officer of an approved EPP, of two years of full-time wage-earning experience using the licensure requirement described in paragraph (2) of this subsection.
- (d) Trade and Industrial Education: Grades 6-12 certificate. The certificate may be issued no earlier than September 1, 2014. A standard Trade and Industrial Education: Grades 6-12 certificate shall be based on academic preparation and experience in the skill areas to be taught and completion of specified pedagogy and professional responsibilities training.
 - (1) The standard Trade and Industrial Education: Grades 6-12 certificate shall require the following academic preparation and wage-earning experience.
 - (A) Option I. An individual must:
 - (i) hold a bachelor's degree from an accredited institution of higher education that at the time was accredited or otherwise approved by an accrediting organization recognized by the THECB; and
 - (ii) have two years of full-time wage-earning experience within the past ten years in one or more approved occupations for which instruction is offered. The experience must be approved by the certification officer of an EPP approved to prepare teachers for the Trade and Industrial Education: Grades 6-12 certificate. Up to 18 months of the wage-earning experience can be met through a formal documented internship.
 - (B) Option II. An individual must:
 - (i) hold an associate degree from an accredited institution of higher education that at the time was accredited or otherwise approved by an accrediting organization recognized by the THECB; and

- (ii) have two years of full-time wage-earning experience within the past ten years in one or more approved occupations for which instruction is offered. The experience must be approved by the certification officer of an EPP approved to prepare teachers for the Trade and Industrial Education: Grades 6-12 certificate.
- (C) Option III. An individual must:
 - (i) hold a high school diploma or the equivalent; and
 - (ii) have five years of full-time wage-earning experience within the past ten years in one or more approved occupations for which instruction is offered. The experience must be approved by the certification officer of an EPP approved to prepare teachers for the Trade and Industrial Education: Grades 6-12 certificate.
- (2) The standard Trade and Industrial Education: Grades 6-12 certificate shall require current licensure, certification, or registration by a nationally recognized accrediting agency based on a recognized test or measurement. If the licensure, certification, or registration is not based on a recognized test or measurement, then passing the appropriate NOCTI assessment is required. A cosmetology teacher must hold a current cosmetology instructor license issued by the Texas Department of Licensing and Regulation.
- (3) An individual must complete one year of creditable classroom teaching experience, as defined in Chapter 153, Subchapter CC, of this title, on an emergency permit or probationary certificate in the specific area of trade and industrial education.
- (4) The holder of a standard or provisional Trade and Industrial Education: Grades 6-12 certificate or Vocational Trades and Industry certificate may be approved for additional trade and industrial education assignments provided he or she meets the required number of years of wage-earning experience as indicated in this subsection. Work experience must be approved according to the provisions of this subsection. The EPP must submit a statement of qualifications to the TEA within 60 calendar days of approval.
- (e) Trade and Industrial Workforce Training: Grades 6-12 certificate. The certificate may be issued no earlier than September 1, 2018. A standard Trade and Industrial Workforce Training: Grades 6-12 certificate shall be based on academic preparation and experience in the skill areas to be taught and completion of specified pedagogy and professional responsibilities training.
 - (1) The standard Trade and Industrial Workforce Training: Grades 6-12 certificate shall require all of the following academic preparation and wage-earning experience.
 - (A) An individual must have been issued a high school diploma or its equivalent or a postsecondary credential, certificate or degree.
 - (B) An individual must have seven years of full-time wage-earning experience within the preceding 10 years in an approved occupation for which instruction is offered, and have not been the subject of a complaint filed with a licensing entity or other agency that regulates the occupation of the person, other than a complaint that was determined baseless or unfounded by that entity or agency.
 - (C) An individual must hold with respect to that occupation a current license, certificate, or registration, as applicable, issued by a nationally recognized accrediting agency based on a recognized test or measurement.
 - (2) The standard Trade and Industrial Workforce Training: Grades 6-12 certificate shall require current licensure, certification, or registration by a nationally recognized accrediting agency based on a recognized test or measurement.
- (f) Career and technical education certificates. Approval of career and technical education certificates in this section shall be based on prior experience and preparation in a skill area.

- (1) Prospective career and technical education teachers shall submit a statement of qualifications detailing prior experience and skill area preparation to the EPP approved to prepare teachers for the career and technical education certificate sought. The certification officer of the EPP shall review the applicant's statement of qualifications to determine whether the applicant meets the appropriate approval criteria specified in this subsection. In the case of an educator who otherwise qualifies for certification by examination in Marketing: Grades 6-12, Health Science: Grades 6-12, or Trade and Industrial Education: Grades 6-12, the review and approval of required work experience may be performed by a certified school administrator.
- (2) Under this subsection, 12 months of wage-earning experience consisting of at least 40 hours per week shall equal one year of full-time experience. Wage-earning experience consisting of less than 40 hours, but at least 20 hours per week, shall be calculated at a 50% rate in determining years of full-time experience. Wage-earning experience consisting of less than 20 hours per week shall not be considered acceptable in determining full-time experience.
- (3) Postsecondary and proprietary school teaching experience in the specific occupational area for which the candidate is seeking certification may be counted on a year-for-year basis in lieu of on-the-job experience. Proprietary schools must be accredited or otherwise approved by the Texas Workforce Commission. Recency of experience requirements must be met, as well as current licensure, certification, or registration by a state or nationally recognized accrediting agency.
