TO THE ADMINISTRATOR ADDRESSED:

SUBJECT: Division of College, Career, and Military Preparation Survey

The division of College, Career, and Military Preparation (CCMP) is actively seeking feedback from districts on current policies, procedures, and programs. This feedback will assist CCMP in developing a five-year strategic plan on connecting career to college (strategic priority three of TEA's strategic plan), reducing redundancies in data collection and district reporting for CCMP programs, and developing high quality resources and materials. This voluntary survey focuses on Career and Technical Education and Work-Based Learning. We will seek additional information regarding our other programs later in the year.

Please [click here](#) to answer the survey. We ask that stakeholders answer questions with honest responses to the prompts. The division of CCMP values critical feedback and seeks to improve its practices based on district input.

The [survey](#) will close on April 27, 2018. If you have any questions, please email heather.justice@tea.texas.gov.

Sincerely,

Heather Justice
Divisional Director
College, Career, and Military Preparation
