

Financial Information Tool (FIT)

<https://TXschools.gov>

Financial Information Tool Benefits?

- Corresponds with launch of A-F district accountability report cards
- Increase the quality and transparency of the TEA's reporting of school district financial information
- Provide meaningful tools for parents and decision makers at the local level
- Enable those decision makers to have the information necessary to utilize financial resources to improve educational outcomes for students

What the financial information tool is not

The financial information tool (FIT) is not a replacement to School FIRST or Charter FIRST
