

DISTRICTS OF INNOVATION AMENDMENT & RENEWAL

Texas Education Agency

OVERVIEW

<p>TEC §12A.007</p>	<p>AMENDMENT OR RENEWAL OF LOCAL INNOVATION PLAN. A local innovation plan may be amended, rescinded, or renewed if the action is approved by a vote of the district-level committee established under Section 11.251, or a comparable committee if the district is exempt from that section, and the board of trustees in the same manner as required for initial adoption of a local innovation plan under Section 12A.005.</p>
<p>19 TAC §102.1313</p>	<p>(a) A district innovation plan may be amended, rescinded, or renewed if the action is approved by a majority vote of the district-level committee established under the Texas Education Code (TEC), §11.251, or a comparable committee if the district is exempt from that section, and a two-thirds majority vote of the board of trustees. (b) The district shall notify the commissioner of education of any actions taken pursuant to subsection (a) of this section along with the associated TEC exemptions and local approval dates.</p>

A designated District of Innovation may choose to amend or renew its plan at any time pursuant to applicable sections of Texas Education Code (TEC) and Texas Administrative Code (TAC). The processes for amending and renewing a plan are different, however. Please see the information below.

Amendment

<p>19 TAC §102.1313(a)</p>	<p>(1) Amendment. An amendment to an approved plan does not change the date of the term of designation as an innovation district. Exemptions that were already formally approved are not required to be reviewed.</p>
---------------------------------------	--

- An amendment may be made to a DOI plan at any time during the term of the plan.
- An amendment to a DOI plan does not require the district to repeat the adoption process in its entirety (see “Process Requirements” chart on page 2).
- An amendment to a DOI plan does not change the date of the term of the plan; the original adopted term must remain the same.

Renewal

<p>19 TAC §102.1313(a)</p>	<p>(3) Renewal. During renewal, all sections of the plan and exemptions shall be reviewed and the district must follow all components outlined in §102.1307 of this title (relating to Adoption of Local Innovation Plan).</p>
---------------------------------------	---

- A DOI plan may be renewed at any time during the term of the plan.
- A district may only have one innovation plan at any given time (19 TAC §102.1311). As such, a renewed plan takes effect only after the term of the district’s current innovation plan expires. In the instance that the district intends for the term of a renewed plan to begin prior to the expiration of its current plan, the renewed plan supersedes the district’s current plan at that time and the current plan is considered void.
- The district must repeat the adoption process outlined in 19 TAC §102.1207, however 2 specific steps are not required to be repeated (see “Process Requirements” chart on page 2).
- The term of the DOI plan may be extended for up to an additional 5 years during renewal.
