Quick Tips to Secure Seesaw Meetings

V 🖬 🝸

100

- Look at your Seesaw application version and make sure it is up to date.
- On your iOS device, go to the App store and check for updates. Tap 'Update' to get the latest version of the app.
- On your Android/Kindle Fire device go to the Google Play store and check for updates for your Seesaw app. Tap 'Update' to get the latest version of the app.

- Lock your student submissions to only you and the student's family.
- ✓ To protect student privacy, turn OFF 'Students can see each other's work' in Class Settings (
