TCLAS Master Calendar

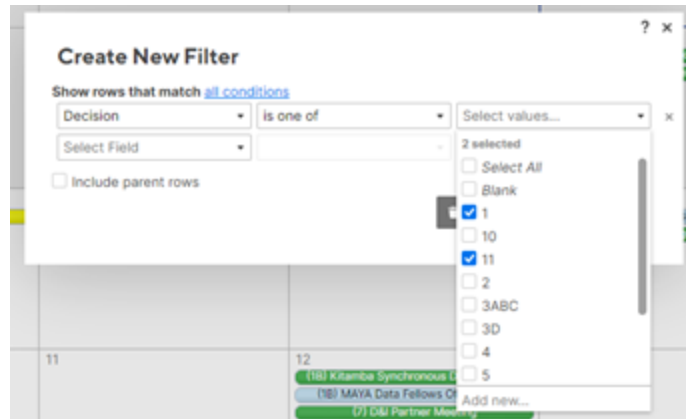

The TCLAS Master Calendar provides a **one-stop shop to access the most important dates and timelines associated with [Texas COVID Learning Acceleration Supports \(TCLAS\) grants](#)** so that local educational agencies (LEAs) can strategically plan for and inform their work.

To access the calendar, please visit the [TCLAS Webpage](#) and click on the [TCLAS Master Calendar](#).

Key Information that can be found in this calendar includes due dates (red), trainings/professional development (green), reminders (blue), and more. Additionally, you can find related/meeting links and points of contact for each item.

For ease of use, you can filter results by Decision or Type to make sure you only see events that correspond to your needs.

Please reach out to anisha.dandona@tea.texas.gov or felix.deportu@tea.texas.gov with any questions.
