Subject: State-Approved Group-Administered Assessments

To whom it may concern:

To assist districts in planning for the 2023–2024 school year, the Texas Education Agency (TEA) is requesting the list of achievement tests published by your organization that meet the requirements of Section 39.032 of the Texas Education Code for the upcoming school year. Section 39.032 requires that the standardized norms for approved assessments not be more than eight years old at the time the test is administered.

In order for TEA to provide this information to districts this fall, **please complete the attached form and return it on or before August 25, 2023**, to [gregory.reck@tea.texas.gov](mailto:gregory.reck@tea.texas.gov). A complete list of the 2023–2024 state-approved group-administered achievement tests will be posted in September on the Student Assessment Division website at: [State-Approved Group-Administered Achievement Tests | Texas Education Agency](#).

If you have any questions about this request, please contact Greg Reck in the Student Assessment Division at (512) 463-9536.

Sincerely,

Policy Analyst
